

Salty Seas Frozen Half Shell Farm Raised Clams

Cedar Key Florida

WHY SALTY SEAS?

Patented “Frozen Live”™ Process combined with creative one of a kind packaging. Vacuum skin individual trays with inverted thaw/fresh technology, offers superior quality over all other brands.

Product Information & Benefits:

- ◆ “Frozen Live”™ patented process.
- ◆ Vacuum skin tray packaging “patent pending” offers simple prep times and LESS labor over traditional layer packs or trays.
- ◆ Easy open packaging with “pull tab” - NO training required.
- ◆ Superior Quality Thawed
- ◆ **Proprietary process retains and enhances the brine for exceptional and consistent flavor each and every time.**
- ◆ Thaw/fresh 1 tray or many cases. Just place in cooler for 3 to 4 hours or until thaw/fresh.
- ◆ Trays are packed face down to allow easy thaw/fresh in case. Just place entire case in cooler.
- ◆ No hotel pans and plastic covering etc. required.
- ◆ Clams can be left Thawed/Fresh for 72 hours without compromising quality, moisture or texture. 72 hours is **FSNS Certified**.
- Longer thaw times allow less run outs and easier pars.
- Species: Mercenaria
